MEMORANDUM FOR MAJOR GENERAL W. D. GAREY, DIRECTOR OF OPERATIONS, DCS/O

SUBJECT: Assignment of Precedence for a Classified Project

1. The United States Air Force has been directed to support a classified government project. Our support responsibilities include material and services under the cognizance of the Deputy Chief of Staff, Material. Additional responsibilities will probably be assigned as the project develops.

2. It is desired that you immediately establish an O. P. U. project to be identified as Project OILSTONE (Confidential). This project should be assigned a precedence rating equal to that of Atlas; it is to begin immediately; and the termination date is indefinite. No additional descriptive information will be included in any Air Force document.

3. I have approved all requirements necessary to fulfill this project.
